Correction of: <https://cancer.jmir.org/2020/2/e18143/>

(*JMIR Cancer* 2020;6(2):e23821) doi: [10.2196/23821](https://doi.org/10.2196/23821)

In "Incorporating Breast Cancer Recurrence Events Into Population-Based Cancer Registries Using Medical Claims: Cohort Study" (*JMIR Cancer* 2020;6(2):e18143) the authors noted two errors.

The metadata erroneously listed only Teresa A'mar and Ruth Etzioni as having contributed equally; this has been corrected to reflect that Teresa A'mar, Jessica Chubak, and Ruth Etzioni contributed equally.

In addition, Jessica Chubak's affiliation was originally listed as:

Washington Health Research Institute, Kaiser Permanente, Seattle, WA, United States

This affiliation has been corrected to:

Kaiser Permanente Washington Health Research Institute, Seattle, WA, United States

The correction will appear in the online version of the paper on the JMIR website on September 24, 2020, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been submitted to those repositories.

This is a non-peer-reviewed article. Submitted 24.08.20; accepted 25.08.20; published 24.09.20.
